Data Collaboration

VAADA Biennial Conference

L < TITUDE
NETWORK

The Challenge

The Response:

Data Collaboration:

- Victorian AOD treatment Agencies
- VAADA
- Latitude Network

Benefits of VAADABase

- Access to timely data insights
- Sector wide-visibility
- Support Sector Advocacy
- Collaborative data improvement
- Enhance decision making
- Access to learning opportunities

Data Dashboard Preview

LET'S CHECK IT OUT!

How many people accessed AFD services? - look at number of services accessed not people

Number of Services

2018-2019

25,303

Number of People

2018-2019

7,427

Client: Metro / Regional

Pilot Insights: Hearing from our partners

David Collett, Data Analyst – Odyssey House Victoria

Latitude Network

Dale Renner, CEO

L < TITUDE
NETWORK

How it works?

1. Join

- Organisations sign up via EOI Form (VAADA Website)
- Join through membership fee of \$6,000 + GST (Pro Rata)
- Sign data sharing agreement with Latitude Network (12 months)

2. Submit

- Monthly VADC data contribution - which is sharing existing files. No extra IT work required.
- Secure central storage system
- De-identification by Latitude Network

3. Access

- Access to individual dashboards and insights
- Receive State of the Sector Report
- Access to Learning Labs
- Access to online community
